Hi Lon!

Will you have any comments on Sun'aq's draft QAPP? They worked hard to address concerns you'd raised with Seldovia's project last year, and they're anxious to get going. I forwarded Donald's comments to them last week and they're working on those changes and a revised timeline now. Let me know what you think. Thanks!

Greetings Gina and Lon!

This is Sun'aq's draft QAPP for an assessment of Kodiak Island Tribes' Subsistence Consumption. Although it is based on Seldovia's Cook Inlet work, they've done a lot to try to address concerns Lon identified with that project. Please let me know what you think. Your efforts are greatly appreciated!
